PREACHER'S CORNER

"What Type of Plant Produces Anger"

This spring I sowed seeds in my garden, beets, peppers, tomatoes, carrots and red onions, in hope of enjoying fresh produce to make delicious meals and share with friends. I know what was sown because it was stated on each package. The Christian journey comes with a label that describes behavior traits consistent with someone walking with Christ. James 1:18-21 exhorts believers to be mindful of who we are in Christ by considering the fruitful nature of the implanted word of God in contrast to the unfruitful nature of man. "The anger of man does not achieve the righteousness of God".

Let us remember what type of plant we are, and we shall produce a bountiful harvest consistent with seeds that are sown in the kingdom of God.

*Mark Sutton*
