Preacher's Corner

"The Importance of the First Gospel Message"

Genesis 22:18 provides a record of the first gospel message that was preached to Abraham. God told Abraham that, "in thy seed shall all the nations of the earth be blessed; because thou hast obeyed My voice." The Bible tells us that God counted his faith as righteousness, and thus ushered in righteousness through faith. Over four hundred years later, the Law was given to Moses and the people of Israel, however, keeping the tenets of the law did not make them righteous with God. We can easily get caught up in trying to be so righteous with God that we forget that righteousness with God does not come by adhering to rules and restrictions imposed on the Christian walk as a way of making one righteous. Righteousness comes by faith and faith alone.
